

# RUN AND DONE COLLECTIONS

*PAY YOUR PLEDGES ONLINE.*

*AFTER THE RUN, EVERYONE'S DONE!*

Parents!

To make our collection process easier and faster, we're using Boosterthon's Run and Done Collections. **With Run and Done, sponsors pay their pledges online,** which will:

- Save our volunteer team 50+ hours of time
- Help our school collect (on avg.) over 99.5% of our pledges
- Eliminate the need to send numerous collection reminder emails and letters for months after the program
- Save you from having to track down donations from all your sponsors

If a sponsor chooses not to pay online, they can always send in cash or check. But instead of spending countless hours counting cash/checks and manually entering them into our system, Run and Done Collections will make our collection process even more hassle-free. It's a win-win!
