I, _____ (parent/guardian), verify that I have completed the Georgia Parent Survey AND the Parents School Quality and Improvement Survey for my child _____ (student).

Although there is no mandatory participation rate for the Georgia Parent Survey, schools that have no participation in the survey will receive a 0.00 score. Schools with less than 15 parent surveys will be designated as Low Participation (LP) and the results will not be calculated. Either way, no parent or low parent participation will negatively impact a school's School Climate Star Rating.
